

# *Your Partner* **STOFFEL** *for Success* **EQUIPMENT**

Since 1957, Stoffel Equipment's Mission has been to provide unparalleled service and the best quality products to our customers. Our reputation has been built, over half a century, by consistently exceeding our customers' expectations — through innovative solutions. We take pride in building long-lasting, proactive relationships with our customers. We have partnered with a wide range of companies, building partnerships that, in some cases, span 50 years. Our unique, customer-centric approach has helped us earn the trust and confidence of many notable businesses from numerous industries in Wisconsin and Michigan's Upper Peninsula.

## *What Is The* **Stoffel Standard?**

It is our founding principle: to provide the absolute best in quality, service and equipment... and nothing less. While our competitors may try to compare themselves to us, they will never match **The Stoffel Standard.**

## **Operations & Process Solutions**

- On-site design and consultation on warehouse expansion/renovation*
- Warehouse racking design and layout*
- Reduce material handling costs by quantifying key cost drivers*
- Optimize warehousing square footage by storing more pallets in less space*
- Oversight of lift truck and operator data*

Contact Stoffel Equipment today to see how we can help your organization increase productivity, efficiency and profitability.
